Ah haha we are bringing
The beat in the house
We got ps
Drop the beat eh
Brop the beat eh
Everybody say
Drop the beat eh
Drop the beat eh
Put your hands up
Volume badha lo kyunki
We are gonna rock it all night
Naachange hum saari raat
Bhula ke what is wrong right
Peeke ke do takila hot
Lagti har kisi ki wife
Pairon ka na roko
Tum hone do inko bhi
Bas kar ye brainstorming
Ander ki ye bak bak
Kitna tu sochega
Apna gyaan tu hi rakh
Zindagi jee le tu
Karde fikron ko chaq
Duniya ko goli maaro
Karti hai ye duniya suck
What the what the
What the fark
What the what the fark
What the fark
What the what the fark
What the fark
What the what the fark
What the fark
What the what the fark
What the what the what the
Listen up listen up
Everbody listen up ae
What the fark
Paida hote hi bas
Ik bhaga daudi hai
Tension kabhi naukri ka
Ke perfect chhori hai
Inn sab se chakar mein ab
Life bachi thodi hai
Band kar ye brainstorming
Ander ki ye bak bak
Kitna tu sochega
Apna gyaan tu hi rakh
Zindagi jee le tu
Karde fikron ko chaq
Duniya ko goli maaro
Karti hai ye duniya suck
What the fark
What the what the fark
What the fark
What the what the fark
What the fark
What the what the fark
What the fark
What the what the fark
What the what the
What the fark
What the what the fark
What the fark
What the what the fark
What the fark
What the what the fark
What the fark
What the what the fark
What the fark
What the what the fark
What the fark
What the what the fark
What the fark
What the what the fark
What the what the.
