Dulhan si saji dharti khula yeh aasman
Bulaata hai humein phir woh chaahat ka sama
Aa ab laut chalein...
Anjaan tha main nadaan tha main
Tere pyar ko jo na samajh paaya
Tunein itna bechain kiya
Main tere paas chala aaya
Teri saansein mera jeevan
Mere dil mein tera ghar hai
Zara dekhe koi isko
Yeh jannat se bhi sundar hai
Bina tere nahin chaina
Nahin chaina yahaan
Aa ab laut chalein ...
Ek pal ke liye ek din ke liye
Na door main tujhse jaungi
Teri palkon ki in galiyon mein
Sapno ki se jajaungi
Tujhe dekhun tujhe chaahun
Teri khushboo mein kho jaun
Yahi meri tamanna hai teri baahon mein so jaun
Dard-e-dil nahin sehna
Nahin sehna yahaan
Aa ab laut chalein
