Virahn ke pas virah ki aag
Tann mann sulgaye
Sankar prem jawala nand lala
Julmi yad awan lage
Mohe roz roz tad pawan lage
Chale sans ghabhrawan lage
Sawro kaha main hu tihari
Preet ki mari aaja murari
Aa bhi ja rasiya
Aa bhi ja rasiya
Mann mora pyasa
Mann mora pyasa
Aa bhi ja rasiya
Nain kamal hai nisdin tarse
Bin badal haye jhar jhar barse
Bin tare kachhu nahi paye
Bin tare kachhu nahi paye
Aa re aa mori tham le baiyan
Aa aa aa&
Aa bhi ja rasiya
Aa bhi ja rasiya
Chhamak chhamak
Nachat kanhayi
Ta tha thai ta tha thai
Chal dhal sab nyari
Ta ta tari mari mari
Tat bajat pagnu khud jhankari
Tat bajat pagnu khud jhankari
Ja re ja kanha ja re ja
Chalo chodo more hath jalima
Ja re ja kanha ja re ja
Hato tose ham na bole jalima
Kanha ja re ja
Humse na rutho radha
Hamse na rutho radha
Jiya ja jalao radha
Jiya ja jalao radha
Murli ki taan tum radha
Murli ki taan tum radha
Mora tum hi rag tum hi
Rang tumhi pran ho
Pran ho radha pran ho
Radha pran ho
Mann mohna piya tu jo mila
Mora khoya dil mil gaya
Mora khoya dil mil gaya
Sun sun sun more sawriya
Chan chan chan baje payaliya
Tann mann to jhume preet bhara
Cham cham cham nache charo disa
Man mohna piya tu jo mila
Mora khoya dil mil gaya
Khoya dil mil gaya
Mann mohna mann mohna
Mann mohna mann mohna.
