Beintehan mohabbat mujhe tumse dilruba hai
Mera ishq sarphira hai
Meri aasiqui juda hai
Tanhaiya kehne lagi mehfil nai saza le
Aa dil se dil mila le - 4
Dhundti phiru tujhe mein har jagah sanam
Jaan to meri jaan le jaan ki kasam
Teri bekaraariyon mein mera chain gumshooda hai
Tera manchala deewana teri husn pe fida hai
Tanhaiya kehne lagi mehfil nai saza le
Aa dil se dil mila le - 4
Baat na chupi aaj sare aam hogai
Meri zindagi pyaar ke naam ho gai
Tere beigair jeena hal pal yahan saza hai
Kya hai meri tammna tujhko nahi pata hai
Tanhaiya kehne lagi mehfil nai saza le
Aa dil se dil mila le - 4
Beintehan mohabbat mujhe tumse dilruba hai
Mera ishq sarphira hai meri aasiqui juda hai
Tanhaiya kehne lagi mehfil nai saza le
Aa dil se dil mila le - 4
