Jabse nazare mili o meri jaaneman
Had se badhane laga mera deewaana pan
Yeh meri aashiki, teri deewaanagi
Kal rahe na rahe aa gale lag ja
Aa gale lag ja
Jabse nazare mili o mere jaaneman
Had se badhane laga mera deewaana pan
Yeh teri aashiki, meri deewaanagi
Kal rahe na rahe
Aa gale lag ja
Jabse tumhaara saath mila hai
Betaabiyon ka ik silsila hai
Dekhu jidhar main aaye najar tu
Har aaine mein chehara tera hai
Baaton ki garmi, saanson ki khushbu
Bas mein nahi main, bas mein nahi tu
Kaise sambhaalun khud ko bataao
Chaane laga hai pyaar ka jaadu
Dil ki aawaaj hai, jo hai bas aaj hai
Kal rahe na rahe
Aa gale lag ja
Aa gale lag ja
Aa gale lag ja
Aa gale lag ja
Badhati hi jaaye yeh bekaraari
Tumne chura li nindein hamaari
Katati hai raatein karwat badalake
Haan ik jaisi hai haalat hamaari
Lab chup rahe toh aankhon se kehana
Mushkil hai tumse ab dur rehana
Ishaaron mein hongii mohabbat ki baatein
Kuchh main kahungi kuchh tum bhi kehana
Tere deedar ke, lamhe yeh pyaar ke
Kal rahe na rahe
Aa gale lag ja
Aa gale lag ja
Aa gale lag ja
Aa gale lag ja
Hont gulaabi lagate hai aise,
Surh dekhate shole ho jaise
Behaki huyi hai teri nigaahe,
Baahon mein jaanm aaun main kaise
Yeh tanhaayi sard hawaaye,
Kaise bhala hum dil ko manaaye
Jaane mujhe kyun darr lag raha hai,
Kahi bekhudi mein hum kho na jaaye
Ai mere hamsafar pyaar ki yeh dagar
Kal rahe na rahe
Aa gale lag ja
Aa gale lag ja
Aa gale lag ja
Aa gale lag ja.
