Aa le chal mujhako sapano ke nagar, aa bana le humsafar mujhe  
Main hi toh hoon jisako tu dhund raha tha, dekh toh le ik najar mujhe  
Tu jo chhu le mujhako sona ban jaau main  
Woh sab jo sapana hai pa jaau main  
Jaadu jage mera kuchh aisi chhaau main  
Khaabon ki shehjaadi kehlaau main  
Aasmaan pe mera likh sakata hai, aasmaan pe tera naam all right sure  
Aa mere sohrat duniya mein faile banake khushabu  
Khushabu failegi failegi  
Tere sang ? paau dil ke nagame gaau  
Main jalwe dikhlaau dekhe duniya  
Chaahat ki baarish ho aisi na naajish ho  
Meri jo farmaaish ho maane duniya  
Aa le chal mujhako sapano ke nagar, aa bana le humsafar mujhe  
Main hi toh hoon jisako tu dhund raha tha, dekh toh le ik najar mujhe  
Tu jo chhu le mujhako sona ban jaau main  
Woh sab jo sapana hai pa jaau main  
Jaadu jage mera kuchh aisi chhaau main  
Khaabon ki shehjaadi kehlaau main
