Gori ke hatho me mehendi lagao  
Uptan se ang ang mehkae  
Chanda jaise mathe pe jhumar sajao  
Hirowale motiwale kangana pehnao  
Gori ke hatho mein mehendi lagao  
Uptan se ang ang mehkae  
Aagaya aagaya wohi din aagaya  
Meri suni si raato ne dekha tha jis din ka  
Sapna sajana sajana sajana sajana  
Aagaya aagaya wohi din aagaya  
Jis din leke doli tere angna aayenge sajana  
Sapna sajana sajana sajana sajana  
Phoolo se khushboo kaliyo se rang leke  
Sajna ki sajni saji haule haule  
Hoton pe lali rachi haule haule  
Aanchal se hai jhalakta gori ka rup jaise  
Badal se chan rahi ho subah ki dhup jaise  
Sajni tujhko jis pal tere sajna dekhenge  
Mehendiwale pairo par dil apna rakh denge  
Aagaya aagaya wohi din aagaya  
Jis din leke doli tere angna  
Angna angna angna angna  
Angna angna angna  
More angana sajana aayo re  
More angana sajana aayo re  
Main prit jo apni payo re  
Main prit jo apni payo re  
Main toh jaise baurayi gayi  
Main toh jaise baurayi gayi  
Tan jhum gayo mann gayo re  
Tan jhum gayo mann gayo re  
Tan mann mein se jaise  
Koyi jwala si behafi hai  
Pighle hai ang ang dhime dhime  
Chaya hai meraa rang dhime dhime  
Jalte hai hoth mere kaisi hai  
Pyas jagi jagi jagi jagi  
Ankhon main hai dhuā sa  
Mann main hai agan lagi lagi lagi lagi  
Saanson main kaisi aandhi hai kaisa tufan hai  
Betabi bechaini hai teraa hi arman hai  
Aagaya aagaya wohi din aagaya  
Jis din leke doli tere angna aayenge sajana  
Sapna sajana sajana sajana sajana  
Haryali banni ke haryali banne  
Raste mein tere bichchen hire moti panne  
Banna banni duniya ke sare sukh pave  
Pooton woh phale aur dudon woh nahaven  
Haryali banni ke haryali banne  
Raste mein tere bichchen hire moti panne  
Kisna mere kisna.
