Aaj aasmaan kuchh aur nila lage - 4
Suraj ka chehara bhi kuchh aur roshan sa lage
Shaayad woh yeh jaanate hai -3 tum saath ho mere
Shaayad woh yeh jaanate hai tum saath ho mere
Meri khushi mein dekho woh bhi shaamil ho chale
Aaj aasmaan kuchh aur nila lage
Suraj ka chehara bhi kuchh aur roshan sa lage
Pehale bhi hawaayein behati rahi
Magar thi fizaon mein yeh dilkashi nahi
Yeh jitane najaare hai sab the yahin
Kashish iname kabhi itani haseen na thi
Shaayad woh yeh jaanate hai tum saath ho mere
Meri khushi mein dekho woh bhi shaamil ho chale
Aaj aasmaan kuchh aur nila lage
Suraj ka chehara bhi kuchh aur roshan sa lage
Aaj aasmaan
Jhalakane lagi meri aankhon mein bhi
Haan inamein chhupi thi jo sharaarate kayi
Khud se hasake milu main har subah
Sabhi hairaan hai ke unhe kya huwa
Shaayad woh yeh jaanate hai tum saath ho mere
Meri khushi mein dekho woh bhi shaamil ho chale
Aaj aasmaan kuchh aur nila lage
Suraj ka chehara bhi kuchh aur roshan sa lage
