Love is so beautiful lets try it
Comeon now its you turn
Thats right
Aaj chale ham phir se
Jeene beete din dobara
Ek ek hasi mile to fute
Khusiypo ka fawaara
Aaj karenge ham waisa
Hi jaisa jab dil bolega
Hame dekh kar wapis
Aake wakt bhi kundi kholega
Or sajega aaj raat ko
Khusiyo ka chobara
We want back the years
When we had no fears
Love is so comparies
Can you be sware interios
As injaje baj ingage
Love those years
And i dont like white
For white rock
Shades of grey everywhere
Its right dude its cilled
We want back the years
When we had no fears
Thats right brother
Dil ke tukade jodenge
Hamtodenge sannata bhi
Todenge sannata bhi
Nikalenge ya uglenge
Ham gali me apna kanta bhi
Aaj dikhegi phir se
Yaaro ek hath ki tali bhi
Ek hath ki tali bhi
Das hatho se muh ko
Bharti ek akeli thali bhi
Ek bhali si kali jaise
Waisa pyar hamara
Yaad krenge canteen
Ke chai samose chhole
Khati mithi chatni khake
Jee bhare hichkole
Kangali ho jeb me muh
Se ayyasi hi khan khan bole
Band hue na ab tak hamne
Khate the jo kab se khole
Are naam jo ata rupaye
Ka to muh par bajata barah
Jyot se jyot jalati sigret
Dhue ke badal jalate
Pyar ka fanda roj naya
Ham ek duje ko sikhlate
Aaj mar mite rubi par
To kal geeta par mar jate
Physical hone ki chemistry
Ha mdhund dhund kar pak jate
Phir ham ram jate the
Ram me tab girta tha para
I want back those years.
