Aaj kal kee ladkiya kamal kartee hain
Hoy aaj kal kee ladkiya kamal kartee hain
Kisiko dil me rakhtee hain, hey kisiko dil me rakhtee hain
Kisipe martee hain
Aaj kal key ladke bhee kamal karte hain
Dekhke kisee bhee ladkee ho hay, ah bharte hain
Aaj kal kee ladkiya kamal kartee hain
Aaj kal key ladke bhee kamal karte hain
Ek toh hai yeh tikhi lauki uspe neem chadhee hay, uspe neem chadhee
Kad iska chhota hai lekin kartee bat badee
Mujhe pata hai darta hai yeh pitar aur pater se -2
Hamse kehta hai yeh lad jayega jake sher se
Iska chehra thoda thoda milta hai salman se
Khud ko hero samjhe naa yeh kehdo iss nadan se
Unchee unchee sandal uspe pehenke kala chashma
Bane heroine samjhe dekho khudko yeh karisma
Aaj kal kee titliya kamal kartee hain
Kisiko dil me rakhtee hain, kisipe martee hain
Aaj kal kee ladkiya kamal kartee hain
Aaj kal key ladke bhee kamal karte hain
Dekho yaro ek bandariya chale hans kee chal -2
Gana aur bajana chahe naa samjhe sur tal
Mile jise naa woh kehta hai khatta hai angur -2
Aise toh ladko se aksar rehte hu mai dur
Har ladkee mujhko chahe mujh me hai aisee bat
Dekh dekhke mujhko hai chaltee toh yeh din rat
Chal mere bhai panga naa ley isay toh bekar me
Kahee lipat jayega jake iss bijlike tar me
Aaj kal kee bijliya kamal kartee hain
Kisiko dil me rakhtee hain, kisipe martee hain
Aaj kal kee ladkiya kamal kartee hain
Aaj kal key ladke bhee kamal karte hain
Phulo key ras me nahai hai, taro kee duneeya se aayee hai
Rup suhana too pai hai, sabke dilo pe chhai hai
Too jis ghar me jayegee, sare andhere mitayegee
Khushiyo key deep jalayegee, sabka naseeb jagayegee
Aaj kal kee chhoriyan kamal kartee hain
Kisiko dil me rakhtee hain, kisipe martee hain
Aaj kal kee ladkiya kamal kartee hain
Aaj kal key ladke bhee kamal karte hain
