Aaj kal paw jamin par nahee padate mere
Bolo dekha hain kabhee, tumane mujhe udate huye
Jab bhee thama hain teraa hath toh dekha hain
Log kahate hain kee, bas hath kee rekha hain
Ham ne dekha hain do takadiron ko judate huye
Nind see rahatee hai, halakasa nasha rahata hain
Rat din aakhon me, ek chehara basa rahata hain
Par lagee aakhon ko dekha hain kabhee udate huye
Jane kya hota hai, har bat pe kuchh hota hain
Din me kuchh hota hai, aur rat me kuchh hota hain
Tham lena jo kabhee dekho humei udate huye
