Aaj kyon hamse parda hai, parda hai jee
Aaj kyon hamse parda hai - 3
Aaj kyon hamse parda hai, parda hai jee
Aaj kyon hamse parda hai
Teraa har rang hamne dekha hai, teraa har dhang hamne dekha hai
Paas aakar bhee tujhako dekha hai, dur jaakar bhee tujhako dekha hai
Tujhako har tarah aajamaaya hai, paake khoya hai khoke paaya hai
Ankhadiyo kaa baya samajhate hain, dhadakano kee jabaan samajhate hain
Chudiyo kee khaanak se vakif hain, jhanjhano kee jhanak se vaakif hain
Naajo andaaj jaanate hain ham, teraa har raaj jaanate hain ham - phir
Aaj kyon ham se parda hai parda hai jee, aaj kyon ham se parda hai....
Dil dukhane se faayada kya hai, munh chhupaane se faayada kya hai
Ulajhee ulajhee late sanvaarake aa, husn ko aur bhee nikhaarake aa
Narm gaalo me bijaliya lekar, shok aankho me titaliya lekar
