Aaj kyon hamse parda hai  
Parda hai jee  
Aaj kyon hamse parda hai  
Parda hai jee  
Aaj kyon hamse parda hai  
Teraa har rang hamne dekha hai  
Teraa har dhang hamne dekha hai  
Paas aakar bheé tujhako dekha hai  
Dur jaakar bhee tujhako dekha hai  
Tujhako har tarah aajamaaya hai  
Paake khoya hai khoke paaya hai  
Ankhadiyo kaa baya samajhate hain  
Dhadakano kee jabaan samajhate hain  
Chudiyo kee khanak se vakif hain  
Jhanjhano kee jhanak se vaakif hain  
Naajo andaaj jaanate hain ham  
Teraa har raaj janate hain ham phir  
Aaj kyon ham se parda hai parda hai jee  
Aaj kyon hamse parda hai  
Parda hai  
Aaj kyon hamse parda hai  
Parda hai jee  
Aaj kyon hamse parda hai  
Dil dukhane se faayada kya hai  
Munh chhupaane se faayada kya hai  
Ulajhee ulajhee late sanvaarakaa aa  
Husn ko aur bhee nikhaarake aa  
Narm gaalo me bijaliya lekar  
Shok aankho me titaliya lekar  
Aabhi ja ab ada se lehrati  
Ek dulhan ki tarah sarmati  
Tu nahi hai toh rate suni hai  
Hoye marne waloki jindagi tu hai  
Hoye marne waloki jindagi tu hai  
Iss andhere ki roshni tu hai  
Phir  
Aaj kyon ham se parda hai parda hai jee  
Aaj kyon hamse parda hai  
Parda hai  
Aaj kyon hamse parda hai  
Parda hai jee  
Aaj kyon hamse parda hai  
Aa tera intezar kab se hai  
Har nazar bekarar kab se hai  
Sama rehrehkar zilmilati hai  
Sans taro ko dub jati hai  
Tu agar mehraban ho jaye  
Ye zamin asman ho jaye  
Ab to aaja ke rat jati hai  
Ek ashiq ki bat jati hai  
Gair ho tere jindaganji ki  
Dil bhi de tu mehrbanji ki  
Tujpe jaan se phida hai hum  
Tujpe jaan se phida hai hum  
Ek muddat ke asnaa hai hum  
Phir  
Aaj kyon ham se parda hai parda hai jee  
Aaj kyon hamse parda hai  
Parda hai  
Aaj kyon hamse parda hai  
Parda hai jee  
Aaj kyon hamse parda hai.
