Aaj mausam bada beiman hai, bada beimann hai aaj mausam
Aane vala koi tufan hai, koi tufan hai aaj mausam
Kya huwa hai, huwa kuchh nahee hai
Bat kya hai pata kuchh nahee hai
Mujhase koi kata ho gai toh
Isame meree kata kuchh nahee hai
Kubasurat hai tu rut javan hai
Kalee kalee ghata dar rahee hai
Thadi aahe hava bhar rahee hai
Sabako kya kya guman ho rahe hai
Har kalee ham pe shak kar rahee hai
Phulo kaa dil bhee kuchh badaguman hai
Ai mere yar ai husn vale, dil kiya maine tere havale
Teree marjee pe abb bat thaharee, jine de chahe tu mar dale
Tere hatho me abb meree jan hai
