I don' t wanna waste your time, and tell you how i am lonely
But i can ??? stop myself, because you are my one and only
I am trying to get close you, dont know why i can doing
You will think i freaking ??, and you may not ??
Tere bina, tere bina, mushkil hai mera jina
Tere bina, tere bina, jaau toh jaau kaha
Dhundu tujhe main dar badar, tanaha hai dil ka safar
Bahaaron, najaaron, sitaaro mein dekha
Saba mein, fiza mein tujhako hi paaya
Bahaaron, najaaron, sitaaro mein dekha
Dekha tujhe raat bhar
Aaja maahi, aaja maahi, aaja abb toh aaja
Jaagi saari raat main tere intjaar mein
Aaja maahi, aaja maahi, aaja abb toh aaja
O o o aaja maahi, aaja maahi, aaja abb toh aaja
Mujhe mere rab ki kasam, thoda mar jaau sanam
Faasale kab honge kam, thamane lagi hai dhadkan
Sadiyon se bhi kuchh kam nahi, lamha jo hai mukhtsar
Bahaaron, najaaron, sitaaro mein dekha
Saba mein, fiza mein tujhako hi paaya
Bahaaron, najaaron, sitaaro mein dekha
Dekha tujhe raat bhar
Jaagi saari raat main tere intjaar mein
Aaja maahi, aaja maahi, aaja abb toh aaja
Hoooo aaja maahi, aaja maahi, aaja abb toh aaja
