Ho aaja, aaja meri jaan rutho na humse sanam  
Tumhe hai meri kasam le jaayein jaan meri  
Yeh dooriyaan  
Aaja aaja meri jaan  
Rutho na humse sanam  
Tumhe hai meri kasam  
Le jaayein jaan meri  
Yeh dooriyaan  
Tumne kaha tha  
Saat tere sath tere le loon abhi  
Aankhon mein meri aaj phir yoon  
Aa gaye kyon aansu abhi  
Bolo bolo zara tum hi  
Vaada ye tha ki nahin  
Tu hai jahan main wahin  
Hain kyun ab tak yun hain  
Yeh dooriyaan  
Jagmaga raha raaton ka sama  
Jhilmila raha raaton ka sama  
Taaron se saja raaton ka sama  
Kehne laga  
Aaja  
aaja meri jaan  
Rutho na humse sanam  
Tumhe hai meri kasam  
Le jaayein jaan meri  
Yeh dooriyaan  
Tarsa ho koi yeh suna tha  
Magar hamsa tarsa nahin  
Meelon chalein phir hum jaana  
Koi thikaana ghar sa nahin  
Mood ke mood ke baahein meri  
Pukaare baahon ko teri  
Chali main raahon ko teri  
Lag ja seene se kaisi  
Yeh dooriyaan  
Manzilein kahan, raaste kahan,  
Kise hai phir jaayenge kahan  
Kise hai pata le chalo jahan  
Fil hai ravaan  
Aaja  
aaja meri jaan  
Rutho na humse sanam  
Tumhe hai meri kasam  
Le jaayein jaan meri  
Yeh dooriyaan
