Aaja tujhe pyaar kar loon o jaan-e-jaana  
Tera mera kya karega sanam jamaana  
Roke toh koyi hum daud ke milenge  
Deewaar julm ki hum to ke milenge ta ra ra ra  
Aaja tujhe pyaar kar loon o jaan-e-jaana  
Tera mera kya karega sanam jamaana  
Kal tak thi main jahaan ki magar, abb dulhan hoon main saiyaan teri  
Abb jaaye praan chaahe jiya re na chhodungi main baiyaan teri  
Abb tak toh chali hai jag mein deewaano ki matwaalon ki  
Haq leke rahenge apana jai bolo re dilwaalon ki ta ra ra ra  
Aaja tujhe pyaar kar loon o jaan-e-jaana  
Tera mera kya karega sanam jamaana  
Itana bhaari sheher toh hai magar, chhupkar milane ki jagah nahi  
Waapas kyun hum chale wahaan jahaan ulfat karane ki jagah nahi  
Yeh pyaar ki dushman basti basti se dur nikalake  
Chaahe koi hamein kahe jangali jungle mein rahenge chalake  
Aaja aaja aaja tujhe pyaar kar loon o jaan-e-jaana  
Tera mera kya karega sanam jamaana  
Pyaasa hoga agar kabhi sajan, ganga ban jaaungi tere liye  
Bhuka hoga agar kabhi balam laddu ban jaaungi tere liye  
Hai ek umar dono ki, ulfat mein rahenge khoye  
Main teri bagal mein jaagu, tu mere bagal mein soye ta ra ra ra  
Aaja tujhe pyaar kar loon o jaan-e-jaana  
Tera mera kya karega sanam jamaana  
Roke toh koyi hum daud ke milenge  
Deewaar julm ki hum to ke milenge ta ra ra ra  
Aaja tujhe pyaar kar loon o jaan-e-jaana  
Tera mera kya karega sanam jamaana
