Aajmaale aajmaale aaj khud ko aajmaale
Phirata hai kabse yeh dil sambhaale
Boliye lab pe ruke hain, tere sajade me jhuke hain
Pal pal bhikre hain kitne ujaale
Kya karu kya sochta hai, chain dil kaa dhundata hai
Apanee kismat ko jagaale, bich kaa parda uthaale aajmaale
Aajmaale aajmaale aaj khud ko aajmaale
Phirata hai kabse yeh dil sambhaale
Boliye lab pe ruke hain, tere sajade me jhuke hain
Pal pal bhikre hain kitne ujaale
Apne gham se khelata hai, dard kitne jhelata hai
Sochata too aur kuchh hai, aur kuchh too bolata hai
Apne dil ko too manaale, bich kaa parda uthaale aajmaale
Aajmaale aajmaale aaj khud ko aajmaale
Phirata hai kabse yeh dil sambhaale
Boliye lab pe ruke hain, tere sajade me jhuke hain
Pal pal bhikre hain kitne ujaale
Kashmakash ko chhor de too, rukh hawa kaa mod de too
Khaalee paimaana hai tera, ho sake toh tod de too
Ek nayee mehfil sajaale, bich kaa parda uthaale aajmaale
Aajmaale aajmaale aaj khud ko aajmaale
Phirata hai kabse yeh dil sambhaale
Boliye lab pe ruke hain, tere sajade me jhuke hain
Pal pal bhikre hain kitne ujaale
Kya karu kya sochta hai, chain dil kaa dhundata hai
Apanee kismat ko jagaale, bich kaa parda uthaale aajmaale
Aajmaale aajmaale aaj khud ko aajmaale
Phirata hai kabse yeh dil sambhaale
Boliye lab pe ruke hain, tere sajade me jhuke hain
Pal pal bhikre hain kitne ujaale
Kitne ujaale, kitne ujaale, kitne ujaale
