Ek din ke liye
Ek pal ke liye
Teri dulhan banu sirf kal ke liye
Intezaaron ka kaajal laga lun zara
Ishq ke itar mein nahā lun zara
Ek din ke liye Aag lagi hai la la la..
Dhuaan utha hai la la la..
Aag lagi hai, dhuaan utha hai
Ishq mohabbat wala
Aag lagi hai, dhuaan utha hai
Ishq mohabbat wala
Kisne meri jaan chura li
Kisne maar daala Aala re aala, Manya aala
Dil ke shehar mein apun ka bolbala (x3) Meri aankhon ki shararatein
Meri saanson ki haraaratein
Meri sehami sehami chaahatein
Mere nange paaon aahatein
Mera jo bhi woh mere mehboob ka Ho.. dekhun kaise rakhe dooja mehboob tu
Meri baahon ki kashti ke sang doob tu
Jo tujhe khwaab mein roz milta raha
Jo tujhe khwaab mein roz milta raha
Main wahi hoon, wahi hoon, wahi hubahu Awaaraagardi karne aaya yahaan matwala
Aashiq wali adaa ne zaalim mujhko maar daala Aala re aala, Manya aala
Aan se hoga apun ka bolbala Aala re aala, Manya aala
Tujh se kasam na dekha himmatwala Dekhe door-door door se
Koi bol de huzoor se
Koi thaam lo zara inhe
Woh mere nashe mein choor se
Ishq ke ye jalan tum na seh paaoge Ho ho ho..
Tu jala toh sahi hans ke jal jaayenge
Khol seena, teer-e-jigar khayenge
Tu ishaara toh kar, Tujh pe sab de luta
Tu ishaara toh kar, Tujh pe sab de luta
Keh de tu, khote sikke bhi chal jayenge Tujh mein kuch toh baat hai
Mera dil kyun dhadka saala
Mar miti hun tujhpe mujhko fanaa tu karne wala Aala re aala, Manya aala
Sab se alag hai, tu sab se niraala Aala re aala, Manya aala
Akkhi Bumbai mein apan ka bolbala Aala re aala, Manya aala
Sab se alag hai, tu sab se niraala Aala re aala, Manya aala
Dil ke shehar mein apun ka bolbala
