Bitā huwa pal kabhi gujarata nahi, woh sehma huwa sa baitha rehta hai  
Raaste ke kisi pichle mod par zinda, usake bhi jazbaat hote hai  
Aur kuchh armaan bhi  
Gujar toh main jaata hoon, kisi musaafir ki tarah  
Aur woh bita pal wahi, meri raah takta kisi ped ki tarah  
Yeh aawaaz bhi aise hi kisi pal ki hai  
Jo baitha hai kahi ird gird mere pichle manzil ke  
Meri jaan kahi bhi ja  
Bas sambhal ke jaana  
Yahi pe khada hai ghar tera  
Aana dobara - 3  
Meri pithali manzil jahaan pe main ruka tha thodi der  
Aur socha tha ke jindagi yahi ruk jaayegi  
Lekin shuru hona meri kismat thi, aur chalte rehna fitrat  
Yeh album, yeh nagme, yeh issi raastein mein mile  
Kuchh khubsoorat chizein hain, jara dekhe inmein se koyi aapaki toh nahi
