Aanan faanan huwa kya se kya, mai janeman huwa kya se kya
Dhadka dhadka dhadka sa dil, kehta hai yeh fasaana
Tadpa tadpa tadpa sa dil, chahe tere paas aana
Ek pal toh mujhe dekhatee sharmayee thee aankhe
Aankhon se gujarata huwa muskaan kaa saaya
Shaayad merree khamoshee ne hai keh diya tumse
Woh raaj jo mai tumse kabhee keh nahee paaya
Aanan faanan huwa kya se kya, mai janeman huwa kya se kya
Dhadka dhadka dhadka sa dil, kehta hai yeh fasaana
Tadpa tadpa tadpa sa dil, chahe tere paas aana
Aanan faanan huwa kya se kya, mai janeman huwa kya se kya
Dhadka dhadka dhadka sa dil, kehta hai yeh fasaana
Tadpa tadpa tadpa sa dil, chahe tere paas aana
Aanan faanan huwa kya se kya
Kal kya hoga, yeh mat socho
Tum yeh dekho kee sham ke daaman me kya hai
Madham madham see roshaniyo me
Dhun pe machalate jismo par halkee see damak
Lehraatee huyee sandal baahae, balkhaatee huyee resham julfe
Yeh ang ang yeh jhalak jhalak, shisho kee khanak
Shishon ko chhute naajuk labj, jiname shaam kee surkhee hai
Hiraneer see vaishee aankhon me, anjaane se paigaam base
Yeh dekh ke inako behake toh iljaam kise
Inn lamho ke pyaalo me jitnee mastee hai
Saaree kee saaree tum pee lo, iss sham ko jee bharke ji lo
Kal jo bhee hoga dekhenge
Teree mohabbat hee, merree parastish hai
Meree too ho jaye, merree yeh koshish hai
Sun le merree tamanna, tumhe merree hee bana
Aye merree nilam paree, dekh merree yeh baahae
Dekh le yeh nigaahae, hai kitni pyaar bharee
Dhadka dhadka dhadka sa dil, kheta hai yeh fasaana
Tadpa tadpa tadpa sa dil, chaahae tere paas aana
Aanan faanan huwa kya se kya
Mujhko teree aawaaj se khushbu aatee hai
Aur khushbu me rang dikhayee dete hai
Too jab nahee hai, tab bhee too hai saath mere
Milon se chhute hai tujhako haath mere
Woh jo teree saanso me hai ghule huye
Kahee raho woh git sunayee dete hai
Baadal titalee kaliya lehare phul hawa
Yeh sab tere rup dikhayee dete hain
Mai hu teraa naam hain, teree baate hain
Har pal dohraata teraa afsaana hu
Mujhko toh abb hosh nahee hain
Too hee bata sab kehte hain mai teraa divaana hu
Dil jise dhundhe hai, too wohee dilkash hai
Dil jise maange hain, too wohee mehmas hai
Tujhako ek din hain paana, dil kaa yeh hain taraana
Har subah har shaam hai, tujhko hee yaad karna
Teree hee baat karna, meraa yahee kaam hai
Dhadka dhadka dhadka sa dil, kheta hai yeh fasaana
Tadpa tadpa tadpa sa dil, chaahae tere paas aana
Aanan faanan huwa kya se kya, mai janeman huwa kya se kya
