Aankh teri mastani hai  
Hey hey hey hey hey hey  
Uss pe mast jawaani hain  
Haan aankh teri mastani hai  
Uss pe mast jawaani  
Mundey seher se huye deewane  
Mundey seher se huye deewane  
Kyaa hoga aye hey &  
Kyaa hoga ke age rab jaane  
Kyaa hoga ke age rab jaane  
Humma humma humma humma  
Chumma chumma de chumma chumma  
Jo bhi dekhe door se bole  
Tootak tootak tootak tootiya  
Tootak tootak tootiya bhai  
Tootar tootar tootiya  
Bhangada paale gali gali vich  
Tara ra ra boliyan  
Tara ra ra boliyan bhai tara ra ra boliyan  
Tara ra ra boliyan bhai tara ra ra  
Saiyoni saiyoni teri jaawani  
Jaise ho chanaab ka paani  
Saiyoni teri jaawani  
Jaise ho chanaab ka paani  
Kyaa hoga ye age rab jaane  
Kyaa hoga ye age rab jaane  
Humma humma humma humma  
Chumma chumma de chumma chumma  
Saade naal jhama lo jhodi  
Tunak tunak tunak tuntunak  
Tunak tunak tunak tuntunak  
Hum hain tere prem ke jogi  
Taak tinaak tin tin taak  
Taak tinaak tin tin taak  
Taak tinaak tin tin taak  
Taak tinaak tin tin taak  
Makhada ve  
Makhada ve main ta chakhana  
Duniya par lo nahi takhana  
Makhada ve main ta chakhana  
Duniya par lo nahi takhana  
Jo hoga jo hoga woh age rab jaane  
Jo hoga woh age rab jaane  
Humma humma humma humma  
Chumma chumma de chumma chumma  
Aankh teri mastani hai  
Uss pe mast jawaani  
Mundey seher se huye deewane  
Mundey seher se huye deewane  
Kyaa hoga aye hey &  
Kyaa hoga ke age rab jaane  
Kyaa hoga ke age rab jaane
