Tujhe kasam hai rukna nahi
Kisi ke aage jhukna nahi
Jo kal karna hai aaj kare
Ye jang agar ladani hai to aao mil ke aagaaz karein
Aagaaz karein aao mil ke aagaaz karein
Aagaaz.....
Khaamosh zubaan bojh hai aankhein, mushkil mein jaan sehami saansein
Saare chehare hain dare dare, zinda hain lekin mare mare
Aise gehare sannaate mein, unchi apani aawaaz karein
Wo kaun hai jo aagaaz karein, aao mil ke aagaaz.....
Jo bhid mein tanha chalata hai, sabse aage woh nikalata hai
Jo kadi dhup mein jalata hai, woh thandi chhaanv mein palata hai
Jo hota sachcha abhimaani, woh deta hai har qurabaani
Ye duniya us pe naaz karein, jo badhkar aage aagaaz karein
Aao mil ke aagaaz.....
Ek akeli mauj samandar se kaise takaraayegi
Chattaano se takara ke aandhi waapas aa jaayegi
Hum mil ke saath challenge toh sailaab naya ik laayenge
Is aasmaan ko jhukaayenge, ik saath chalo parawaaz karein
Aao mil ke aagaaz.....
