Hum jo chal ne lage  
Chal ne lage hai yeh raaste  
Aahha manzil se behatar  
Lagne lage hai yeh raaste  
Hum jo chal ne lage  
Chal ne lage hai yeh raaste  
Aahha manzil se behatar  
Lagne lage hai yeh raaste  
Aao kho jaye hum  
Ho jaye hum yun lapatha  
Aao Milo Chale  
Chaara kahan na ho patha  
Hum jo chal ne lage  
Chal ne lage hai yeh raaste  
Aahha manzil se behatar  
Lagne lage hai yeh raaste  
Bheithe bheite aase kaise koi  
Rasta naya sa mile  
Tu bhi chale main bhi chalu  
Honge kam yeh tabi phasle  
Mmmm Bheithe bheite aase kaise koi  
Rasta naya sa mile  
Tu bhi chale main bhi chalu  
Honge kam yeh tabi phasle  
Aao tera mera  
Na ho kisi se vaasta  
Aao milo chale  
Jana kahan na ho patha  
Hum jo chal ne lage  
Chal ne lage hai yeh raaste  
Aahha manzil se behatar  
Lagne lage hai yeh raaste  
Thane, kahin kahin mein samjao  
Thane, kahin kahin mein samjao  
Kidar bhi na jee na lage  
Kidar bhi na jee na lage  
Aanke kole neede bole  
Jane kaisi jagi bhekudi  
Yahan wahan dekho kahan  
Leke jane lagi bhekudi  
Hooohh Aanke kole neede bole  
Jane kaise jagi bhekudi  
Yahan wahan dekho kahan  
Leke jane lagi bhekudi  
Aao mil jayega  
Hoga jahan pe raasta  
Aao Milo chale  
Jana kahan na ho pata  
Hum jo chal ne lage  
Chal ne lage hai yeh raaste  
Aahha manzil se behatar  
Lagne lage hai yeh raaste  
Saajaniiii, sajni tumhe mat jaaani ho  
Preeth ke yeh du shiko  
Lagne lage na, dekh le  
Preeth na kariiooo..
