Wo o o  
I want you so o o  
Come on lets go o o o o  
Aankho me aankhe aake jod le  
Baki ki baate dil pe chhod de  
Is pal me baby me  
Kal ki fikar tu kal pe chhod de  
Want to hold you hold you  
Kiss you kiss you  
You're the one tujh me hai woh baat  
Want to feel you feel you love you  
De de zara de de tu saath  
Aao na lets get lucky tonight  
Arman tu dil ke saare khol de  
Aa ishq mujh me aake ghol de  
Baby tu hi hai meri fantasy  
Maine kaha ab tu bhi bol de  
Want to hold you hold you  
Kiss you kiss you  
Phir na aayegi aisi raat  
Want to feel you feel you love you  
De de zara de de tu saath  
Aao na lets get lucky tonight  
Wo o o  
I want you so o o  
Come on lets go o o o o
