Aashik hu mai katil bhi hu, sabke dilo me shamil bhi hu - 3
Dil ko churana ninde udana, bas yahi mera kusr
Wado se apne muh karta nahi, marne se mai kabhi darta nahi
Badshah o badshah, badshah hey badshah
Badshah o badshah, badshah

Aashik hu mai katil bhi hu, sabke dilo me shamil bhi hu
Dil ko churana ninde udana, bas yahi mera kusr
Wado se apne muh karta nahi, marne se mai kabhi darta nahi
Badshah o badshah, badshah hey badshah
Badshah o badshah, badshah

Charo taraf hai mere hi charche, hontho pe hai bas mera nam
Rango bhari subah meri, masti me dubi hai meri sham
Jhuthi kahani sacchi lage, aawargi mujhe achchhi lage
Naghme sunana sabko nachana, bas yahi mera kusr
Wado se apne muh karta nahi, marne se mai kabhi darta nahi
Badshah o badshah, badshah hey badshah
Badshah o badshah, badshah

Hai yeh mohabbat kamjori meri, chahat ki duniya pe mera raj
Bas rab ke aage jhukta mera sar, jhukte mere samne takhto taj
Andaz mera sabse juda, mai badshaho kaa badshah
Sapne sajana hansna hasana, bas yahi mera kusr
Wado se apne muh karta nahi, marne se mai kabhi darta nahi
Badshah o badshah, badshah hey badshah
Badshah o badshah, badshah

Aashik hu mai katil bhi hu, sabke dilo me shamil bhi hu
Dil ko churana ninde udana, bas yahi mera kusr
Wado se apne muh karta nahi, marne se mai kabhi darta nahi
Badshah o badshah, badshah hey badshah
Badshah o badshah, badshah
Badshah o badshah, badshah hey badshah
Badshah o badshah, badshah
