Aasma odhkar aaye hum apane ghar
Baadalon mein dhaka hai yeh kamaa mera
Tumhe khwaabon me milenge, abb taaron se kaha hai ki jara jal pade
Dheere se hamaara naam pukaaro, khwaashon ke dariya mein utaaro
Teri meri hasi yaaadon pe hum jara theher le
Teri meri ulfat jaise hai sharaab puraani koyi
Muddaton mein aur bhi ishq huwa numkin
Logo meri dulhan hasin, aaj bhi hai nayi naveli
Tu jo meri dost hai meri saheli
Mushkil sahi yeh safar kitna hansa hai magar
Tu jo sang mein hai aisa lage nayi nayi koyi duniya hai meri
Dheere se hamaara naam pukaaro, khwaashon ke dariya mein utaaro
Teri meri hasi yaaadon pe hum jara theher le
