Aasmaan ko chhukar dekha, taaron ki gali sawaari
Chaand par bhi naache hum, ki tufaano se yaari
Aasmaan ko chhukar dekha, taaron ki gali sawaari
Chaand par bhi naache hum, ki tufaano se yaari
Kya karoon aur kya nahin, baat kisi se kahi nahin
Mauj masti ki aadat meri bachpan se gayi nahin
Paagalpan yeh kaisa hai, ?? jaisa taisa hai
Soch ki najakat hai, thodi si sharaarat hain
Tedha yeh saamaan kyun, aafat mein jaan kyun hai
Mach raha bawaal kyun hai, ulta yeh dimaag kyun hain
Aasmaan ko chhukar dekha, taaron ki gali sawaari
Chaand par bhi naache hum, ki tufaano se yaari
Yeh yeh aankh micholi, chor daaku bhooth kohli
Bum bum bajarang bali, mahabali mahabali
Khalbali hi khalbali dekho hai ho chali
Dhrati saagar taare ?? ?? hi pyaar
Aasmaan ko chhukar dekha, taaron ki gali sawaari
Chaand par bhi naache hum, ki tufaano se yaari
Kya karoon aur kya nahin baat kisi se kahi nahin
Mauj masti ki aadat meri bachpan se gayi nahin
Aasmaan ko chhukar dekha, taaron ki gali sawaari
Chaand par bhi naache hum, ki tufaano se yaari
