Sitam kiye, bohat kiye
Kis kis ko samjhaaun?
Yeh kaam ki nakamiyan
Aao tujhe batlaaun Ishq hansaye Ishq rulaie
Kabhi de pankhadiyan
Kabhi laa giraye Yeh naam ki badnamiyan
Yeh kaam ki nakaamiyan Yeh nazar ka dhokha..
Yeh dilon ka sauda..
Aatish mohabbat ka ye garm jhonka
Tu janay naa (Ho..)
Tujhe khabar nahi
Yeh aag aisi hai
Jo tod deti dil
Yeh baat aisi hai
Tu jagta rahe
Yeh raat aisi hai
Awaargi aye dost
Soghaat aisi hai (Sunoo, ek baat kahoonâ€¦)
Nagar nagar guzar gaye
Par na mila thikana
Hai shayaron ne sach kaha
Ishq hai uljha afsana
Itraate hain murjhate hain
Gham khushiyon mein ghul jaate hain (Ahmed) Faraz ki likhaiyan
Yeh Mir (Taqi) ki duhaiyaan John (Elia) ki udaasi
Josh (Malihabadi) ka tarana
Aatish mohabbat ka yeh garm jhonka
Tu janay na Tujhe khabar nahi
Yeh aag aisi hai
Jo tod deti dil
Yeh baat aisi hai
Tu jagta rahe
Yeh raat aisi hai
Awaargi aye dost
Soghaat aisi hai Dhola teriyan udeekan kyun laayian
Rogi keeta hai dil mera sayaan
Jogi kyun hai tu itna bechara
Kyun mangta hai kamzor baahon ka sahara Mann bhar jaave
Yaar chhod jaave
Dar jate ho tum
Galliyon chobare
Majnoon pukare
Thak jaate ho tum Bhari javani mein ankh kar gaya hai teri nam
Bewajah ke jholion mein de gaya hai gham Yeh Heer ki manmarziaan
Yeh Faiz (Ahmed Faiz) ki hain arziyaan Yeh nazar ka dhokha
Yeh dilon ka sauda
Aatish mohabbat ka yeh garm jhonka
Tu jaane na Tujhe khabar nahi
Yeh aag aisi hai
Jo tod deti dil
Yeh baat aisi hai
Tu jagta rahe
Yeh raat aisi hai
Awargi aye dost
Soghat aisi hai (x2)
