Aawaj koyee kehatee hai ha, koyee najar phir aaye naa kyun  
Jane kaha se aahat hai, aayine me koyee hai  
Surat adhuree hai abb kuchh hee duree hai  
Rat phir darr kee maree, jane hai kiskee baree  
Sehamee huyee sanse kapatee darr se saree  
Koyee pas jaise mere aane laga hai  
Dikhata nahee koyee yeh \*\*chhu raha hai  
Yeh rat gehari hai, abb kuchh hee duree hai  
Aawaj koyee kehatee hai ha, koyee najar phir aaye naa kyun  
Jane kaha se aahat hai, aayine me koyee hai  
Surat adhuree hai abb kuchh hee duree hai  
Dekhe hamko jaise andekhee koyee aankhe  
Har pal lagta hai kee chhupke koyee jhanke  
Koyee hath jaise halke se chhu raha hai  
Jinda nahee koyee phie kyun dikh raha hai  
Yeh pal aakharee hai, abb kuchh hee duree hai  
Aawaj koyee kehatee hai ha, koyee najar phir aaye naa kyun  
Jane kaha se aahat hai aayine me koyee hai
