Pehli barish ki tarah
Dil ko bheega woh gayi
Pehli azaan ki tarah
Mujhko jagah woh gayi
Aawari aawari woh puri aawari
Aawari aawari woh puri aawari
Khushboo saari kudrat ki
Lekar woh aise phirti
Jaise ke ho khud ek hawa mehki
Aawari aawari woh poori aawari
Aawari aawari woh poori aawari
Geeli mitti ki tarah
Yaadein jagah woh gayi
Badle mausam ki tarah
Dhadkan bada woh gayi
Aawari aawari woh poori aawari
Aawari aawari woh poori aawari
Meri zameen, mera aasmaan
Dono naya kar gayi
Muskaate hoton se hi
Roshan jahan kar gayi
Rukha rukha dil ka mausam
Woh khushnuma kar gayi
Aawari aawari woh poori aawari
Aawari aawari woh poori aawari.
