Aayi bahar khilte hai gul
Jata kaha hai mere bul bul
Tu bhi jawa mai bhi hasi hu
Tu bhi yaha mai bhi yahi hu
Are tu bhari tu meri jaan
Pyar se mil
Aayi bahar khilte hai gul
Jata kaha hai mere bul bul
Pehli nazar se mujhe mara
Phir mara has has ke do bara
Marti hu jaldi se ab rakh de
Mere labo ke ye lab rakh de
Tarsu tere aage
Janmo ki mai pyasi
City ke o sagar
Samjho meri udasi
Aise mil hum dub jaye
Dungi tujhko mai duaye
Are tu bhari tu meri jaan
Pyar se mil
Aayi bahar khilte hai gul
Jata kaha hai mere bul bul
Hota hai jo aaj hone de
Mai tod aayi sabhi phande
Jab me nahi jane wali hu
Tumko sanam kaise jane du
Muskil se hath aaye jaoge aaj kaise
Aaja karib aaja aise nahi aise
Sare raste he idhar ko
Jaoge tu ab kidhar ko
Are tu bhari tu meri jaan
Pyar se mil
Aayi bahar khilte hai gul
Jata kaha hai mere bul bul
Tu bhi jawa mai bhi hasi hu
Tu bhi yaha mai bhi yahi hu
Are tu bhari tu meri jaan
Pyar se mil
Aayi bahar khilte hai gul
Jata kaha hai mere bul bul
