Aayi thi raat josh-e-tamannaa liye hue
Jaati hai ab luti hui duniyaa liye hue
Sitaaron ki mehfil saji tum na aaye
Saji tum na aaye
Tumhe hamne aavaaz di sajnaa
Tumhe hamne aavaaz di,tum na aaye
Haaye tum na aaye
Bichhadane ko ab raat kaa kaarvaan hai
Haaye kaarvaan hai
Huaa chaand benuur, chup aasamaan hai
Chup aasamaan hai
Chali ruthakar chaandani, tum na aaye
Haaye tum na aaye
Abhi jaag uthe hain ummeedon ke taare
Ummeedon ke taare
Chale aao pyaare muhabbat pukaare
Muhabbat pukaare
Bahaaron ko neend aa gayi,tum naa aaye
Haaye tum na aaye
