Yehi toh woh pal hain
Jiska tha dar mujhe
Hain yeh wahi mauka
Jo dil ko naa-manzoor hai Yahin tak tera mera saath likha
Ab alvida hai tujhe
Laga kar gale karde rukhsat zara
Ab alvida hai tujhe Mohabbat ko uski woh manzil mile
Yeh zaruri nahi har dafaa
Yeh keh kar main dil ko hoon samjha rahi
Par yeh dil bhi hai zidd pe adaa Yehi toh woh gham hai
Hai jiska asar mujhe
Hai yeh wahi mauka
Jo dil ko naa-manzoor hai Yahin tak tera mera saath likha
Ab alvida hai tujhe
Laga kar gale karde rukhsat zara
Ab alvida hai tujhe Alvidaâ€! Alvida!
Alvidaâ€! Alvida!
Alvida! Alvida! Tere bina jeena mera hoga mushkil bada
Yeh Khuda jaanta hai
Jismo se hum chaahein ho phir judaa
Rooh mein sang hain
Mera dil maanta hai Mohabbat kabhi khatm hoti nahi
Khatm hote hain raste jo sang the kabhi
Chalta jaa chalta jaa
Ae mere saathiya
Main nahi hoon toh kya
Tere sang hai meri duaaaâ€! Yahin tak tera mera saath likha
Ab alvida hai tujhe
Laga kar gale karde rukhsat zara
Ab alvida hai tujhe
Ab alvida hai tujhe.. Alvidaâ€! Alvida!
Alvidaâ€! Alvida!
Alvida! Alvida! Ab alvida hai tujhe
Ab alvida hai tujhe
Ab alvida hai tujheâ€!
