Chaand ki aankhein bhaari si hain  
Raat andheri haari si hai (x2)Maan bhi ja, thehar zara.  
Savera koi Door hai kyaBas, ab raat guzarne waali hai  
Ab raat guzarne waali hai  
Ab Raat guzarne waali hai  
Bas, raat guzarne waali haiDard-dard andhera, Zakhm si chaandni  
Dhul jaayegi dhoop mein  
Sard haathon ka ghera, shehar ki berukhi  
Kho jaayegi, goonj mein  
Parindon ki azaane, gungunaati raah bhi  
Kehti hai aankhein choom keBas, ab raat guzarne waali hai  
Ab raat guzarne waali hai  
Ab raat guzarne waali hai  
Bas, raat guzarne waali hai Meri suno toh aankhein moondo  
Khud mein hi dhoondho nayaa ik nazariyaa  
Khauf mein tumne chhupa rakkha hai  
Apne bheetar noor ka dariya  
Behne do usey woh dho dega  
Deewar jo mann ki kaali haiAb raat guzarne waali hai  
Ab raat guzarne waali hai  
Ab raat guzarne waali hai  
Bas raat guzarne waali hai
