Kuch toh log kahenge  
Unka kaam hai kehna  
Life apni, aur rules kisi aur ke?  
Yahi maan ke betha rehna

Duniya jo bole usse ek side rakh  
Tere andar ka jadoo usse mat dhak  
Doosron ke raaste chalega kab tak  
Jab apne rules, tab apna waqt

Logon ki kyun baat sunta  
Sapno ko tere kyun dhakta  
Kar faisley khud ke jaari  
Ab teri baari

Main mein hai kyun doubt rakhta  
Tu unko na kyun out karta  
Parwah khatam karde saari  
Ab teri baari

Ab teri baari, ab ab teri baari  
Teri life tere rules, ab teri baari  
Ab teri baari, ab ab teri baari  
Logon ki chhod kyunki ab teri baari

Ab teri baari, ab ab teri baari  
Ab teri baari, ab ab teri baari  
Ab teri baari, ab ab teri baari  
Teri life tere rules, ab teri baari

Logon ne bola ki padh likh ke karle tu naukri  
Degree haath mein, dabba saath mein  
Logon ko tu jaane de  
Farak tu pehchaan le  
Roka tune khudko kab se

Dance meri life, mere kadmon mein duniya  
Karu Bharatnatyam, ya karu main Zumba  
Log kahe mujhe tu kyun b-boying nahi karta  
Logon ki chhod, kyunki dance apna apna

Jab tak mil paaye na  
Khud se tab tak karna  
Jamm ke re koshish tu  
Poori har ho khwahish yun

Jaadu ye tera re  
Jab mil jayega tujhse  
Tab rakhna tu usko  
Duniya ke saamne re

Ab teri baari, ab ab teri baari  
Teri life tere rules, ab teri baari  
Ab teri baari, ab ab teri baari  
Logon ki chhod kyunki ab teri baari

Ab teri baari, ab ab teri baari  
Ab teri baari, ab ab teri baari  
Ab teri baari, ab ab teri baari  
Teri life tere rules, ab teri baari

Na dolay na sholay, na zor se tu bole  
Na bike na gaadi na looks mere bhari  
Phir bhi star main, kalakaar main  
Brag kam, wag zyada, andar se fighter  
Six pack nahi lekin heart mera tiger

Meri chaati chaudi, bahot dhaansu main  
Mere saare logon ke bahut paas hoon main  
Stadium bhare hain uthaake awaaz  
Emotion hain khaas, mera alag andaaz

Sab karke dekha hai maine  
Khushiyan mili din ki sun ke  
Aa tu bhi kar dil se yaari  
Ab teri baari

Andar chhupa hai jo tere  
Tu baahar usey aane de re  
Hai jaag jaane ki baari  
Ab teri baari

Yeah! yeah!  
Suna kya?  
Ab teri baari  
Teri life, tere rules  
Ab teri baari  
Chalo phir aata hoon main, huh!
