Ab to is tarah meri aankhon mein khaab aate hain
Jis tarah aayeene cheharon ko taras jaate hain
Ehatiyaat ahal-e-mohabbat ke isi shahar ke log
Gul-ba-dast aate hain aur kwaabaa-rasan jaate hain
Jaise tazabeez-e-taalluq ki bhi rut ho koi
Zakm bharate hain to ahabaab bhi a jaate hain
Har kadi raat ke baad aisi qayaamat guzari
Subaho ka zikr bhi aaye to laraz jaate hain
