Abb kaha jaaye ham yeh bata ai jamin
Iss jaha me toh koyee hamaara nahee
Apne saaye se bhee log darane lage
Abb kisiko kisee par bharosa nahee
Abb kaha jaaye ham.....
Ham ghar ghar jaate hain, yeh dil dikhalate hain
Par yeh duniyavaale hamko thukaraate hain
Raste mit gaye manjile kho gayee
Abb kisiko kisee par bharosa nahee
Abb kaha jaaye ham.....
Nafarat hai nigaaho me, vahashat hai nigaaho me
Yeh kaisa jahar phaila duniya kee hawaao me
Pyaar kee bastiya khaak hone lagee
Abb kisee ko kisee par bharosa nahee
Abb kaha jaaye ham.....
Har saans hai mushkil kee har jaan hai ik motee
Bajar me par inakee ginatee hee nahee hotee
Jindagee kee yaha koyee kimat nahee
Abb kisee ko kisee par bharosa nahee
Yeh bata ai jamin.....
