Abra barsa naa, hawa tej chalee hai abb ke  
Kitanee wiran teree yado kee galee hai abb ke  
Kya kahu kitane bahano se bhulaya hai use  
Yeh kayamat badee mushkil se talee hai abb ke  
Ya merree aankh ke kashkol me aansu chamaka  
Ya andhere me koyee shamma jalee hai abb ke  
Kisko fursat hai dhuwan dekhañe jaye mohasin  
Jhopadee shahar se kuchh dur jalee hai abb ke
