Abrr barasa naa hawa tej chalee hai abb ke  
Kitanee viraan teree yaado kee galee hai abb ke  
Kya kahu kitne bahaano se bhulaaya hai use  
Yeh kayaamat badee mushkil se talee hai abb ke  
Ya merree aankh ke kashkol me aansu chamaka  
Ya andhere me koyee shamma jalee hai abb ke  
Kisko furasat hai dhuwan dekhane jaye mohasin  
Jhopadee shahar se kuchh dur jalee hai abb ke
