Saari duniya ki nemat mujhko mil gayi hai  
Maine mangi jo mannat mujhko mil gayi hai (x2) Faasley darmiyaan se fanaa ho gaye  
Mere khwabon ki jannat  
Mujhko mill gayi hain Tere bina main adhura lafz hoon  
Padh le mujhe main tera ishq hoon (x3) Sajnaaa€! aaâ€!  
Sajnaaa€! Sajnaaa€! Ho.. kehta hai dil yeh  
Tujhpe kar loon sajda re  
Lagta hai chehra  
Tera jaise Rab ka re Jism-o-jaan de doon tujhko  
Aise apna re  
Deta hai jaise koi  
Jaan ka sadqa re Dekho baahon mein aake  
Saari duniya bhula ke  
Kehta hai lamha pyaar kaâ€! Tere bina main adhoora lafz hoon  
Padh le mujhe main tera ishq hoon (x3) [sargam] Hoâ€! hoâ€! Tu karey agar ishaara  
Chhod doon main jahaan ko  
Kaash bin kahey tu samjhe  
Mere dard ki zubaan ko (x2) Ho.. chaahat ka tu dariya  
Jeene ka tu zariya  
Chaahun sada main saath tera Tere bina main adhura lafz hoon  
Padh le mujhe main tera ishq hoon (x4)
