Ae baai, ae baai
Ae baai tu kahaan se aayi, woh kaun se nagar tujhe jaana
Saath mujhe le le akeli na jaana, ke achchha nahi hai jamaana
Sadake mastaani chaal ke, de du kaleja nikaalake
Phul si naajuk jawaani ko, rakhunga main sambhaal ke
Jaayegi abb tu kahaan, reh ja dilbar yahaan reh ja reh ja na
Ae baai ae ae ae ae ae ae
Ae baai tu kahaan se aayi, woh kaun se nagar tujhe jaana
Saath mujhe le le akeli na jaana, ke achchha nahi hai jamaana
Haay re baali umariya patali patang si kamariya
Paany jahaan rakh de tu gori, thar thar kaanpe dagariya
Julmi teri ada main toh ghaayal huwa jaana o jaana
Ae baai ae ae ae ae ae ae
Ae baai tu kahaan se aayi, woh kaun se nagar tujhe jaana
Saath mujhe le le akeli na jaana, ke achchha nahi hai jamaana
Ae baai ae ae ae ae ae ae
