Afiya maan mein afiya
Aur kahin pe hai bhi kha
Maan tera chahe sirf wafaaiye
Bepanah, bepanah
Teri ibadat, tera yaaken hai
Afiya afiya
Ik dua bass ik dua
Aur toh kuch maaga na tha
Kyun hai sab tujhse khafa. Is tarah
Is tarah..
Afiya maan mein afiya
Aur kahin pe, hai bhi kha
Kyun hai mehfil tanha tanha
Nazro mein sehra sehra
Kyun hai subah shab ki tarah
Har lamha thera thera
Naa nur ki hai barsaatien
Na chain sukoon ki baatien
Hai khuda bata de ab kya hai maajra
Gum shum ghum shum sa hai pal pal
Gam ghin sa aalam hai
Chuttay apny hais aare
Ashq ka yeh hai mausam hai
Ab kaisa yeh dastur
Sab tujhyse hai dur
Koi samjhey na tera jhazbat
Maan tera chahe sirf wafaaiye
Bepanah, bepanah
Teri ibadat, tera yaaken hai
Afiya afiya
Ik dua bass ik dua
Aur toh kuch maaga na tha
Kyun hai sab tujhse khafa. Is tarah
Is tarah..
Afiya maan mein afiya
Aur kahin pe, hai bhi kha
Afiya maan mein afiya
Aur kahin pe, hai bhi kha..
