Agar aasaman tak mera haath jaata
Toh tere maathe pe chanda kee bindiya lagaata
Teree maang taaro se mai sajaata
Agar aasaman tak mera haath jaata
Toh chandane se sehara banaate
Muhabbat kee dhadakan se usako sajate
Mai khud apne hathon se tumako pahanate
Agar aasaman tak
Mere paas dil ke siva kuchh nahee hai
Jamaane me dil se bada kuchh nahee hai
Toh phir aa tujhe apne dil me basa lu
Tujhe apne haatho kee rekha bana lu
Agar yeh samandar mere bas me hota
Muhabbat ka motee mai isame se laatee
Sun mere saajan sun mere sathee
Agar aasaman tak
Agar tujhase bichhadu toh mar jaau sanam
Kasam tujhako meree na bol aisa hamdam
Kya hai tamanna teree mere saajan
Rahu tere dil me teree banke dhadakan
Agar yeh jahaan meree muthee me aata
Toh tujhpar se kurban karake lutaata
Agar aasmaan tak
