Ai dost mere maine duniya dekhee hai
Aachchee tarah apanee najar se dekhee hai
Yaha achchha bura kaun hai pahachaanana mushkil
Sach kee puja karane vaale hamne bhukhe marate dekhe
Jhuth kaa daaman thaamane vaale hamane mauje karate dekhe
Phulo kee sej par so kar jhutha ko aaram naa aaye
Lekin sachche ko pal bhar me kaanto par nind aa jaye
Ai dost mere.....
Jisaka mann ho saaf woh girkar -2 bhee upar aata hai
Chaand ko dekho jo ghat ghat kar phir bhee aage badh jaata hai
Jisaka taara chamaka sabne badhakar usaka saath diya
Girate ko yaha kisane thaama kisane usako haath diya
Apanee toh har subah holee apanee toh har shaam divaalee
Do din kee yeh duniya saath nahee hai jaane waalee
Ai dost mere.....
