Ai sanam aaj yeh kasam khaye
Mudke abb dekhane kaa nam na le
Pyar ke wadiyo me kho jaye
Ai sanam aaj yeh kasam khaye
Fasale pyar ke mita dale
Aur duniya se dooriar ho jaye
Iss mohobbat ke siwa aur na kuchh yad rahe
Ishk duniya kee tamanna se aajad rahe
Teree aakhon ke siwa jindagee aur hain kya
Teree चाहत kaa nasha, bekhudee aur hain kya
Jis taraf jaye, baharo ke salam aayenge
Aasmano se yeh rangin payaam aayenge
Teraa jalwa hain jaha, meree jannat hain waha
Tere hotho kee hasin, sau baharo kaa samaan
Apna iman fakata, apanee mohabbat hogee
Har ghadee ishk kee ek taaja kayamat hogee
Dekhakar range wafa, muskurayega khuda
Aur sochega jara, ishk kyo paida kiya
