Aim lagaa ungali chala  
Kya rums the rock, kar de garam  
Aim lagaa ungali chala  
Kya rums the rock, kar de garam  
Le ka striker, striker  
Aim laga ungali chala  
Kya rums the rock, kar de garam  
Aim lagaa ungali chala  
Kya rums the rock, kar de garam  
Laga ke ishq bana koi ka bomb  
Zara chal ke chala apna thumb  
Karega tu to marega hum dum  
Thigdi tighdi  
Khe kheli wohi kehli  
Jo karein ya muh se goli  
Daale makhan please,  
Kare poora bore  
Khali dus chits chaaro khali  
Jaake paale khali baali  
Soch samaj kar bol  
Beche ki kara kiri,  
Tika fota thoda  
Peechu ka aim jo saala  
Ho jaaye gaya paas  
Black and white please,  
Daal do sab bas  
One by one, please  
Come please come

Jaise koi ho gangster  
Peechay se ho koi superstar  
Waise main hoon player  
Jeetna hai re yaar  
Jaise koi ho gangster  
Peechay se ho koi superstar  
Waise main hoon player  
Jeetna hai re yaar  
Shoot the queen aa,  
Shoot the queen aa,  
Shoot the queen aa  
And follow with top  
Shoot the queen aa,  
Shoot the queen aa,  
Shoot the queen aa  
And follow with top  
With a striker, like a striker  
Kabhi lena na mission,  
Bola tu mission  
Rakhna jigar no no, magar magar  
Katra zindagi ka ye safar  
Zara soch samaj ke bye  
Leke queen ka pehla chod  
Dekhe rehna phir board pe board  
Start to finish hume karna hai dance
