Akh naal akh kee mila gayee
Ik kudee dil utte chha gayee o ho
Akh naal akh kee.....
Thoda muskaake jara sharma ke, thoda muskaake haay sharma ke
O jandee varee haath nun hila gayee o ho
Akh naal akh kee.....
Karake bahaane roj aashikan dee galee vichchon
Jan jan langhadee hai hans ke o ho
Gora gora rang naal mithee mithee sang
Tere raina tvaade dilan vich vasake
Raina sadde dila vich vasake
Karake ishaare o julfan sanvaare
Sadde jindagee nun kaisa rog la gayee o ho
Akh naal akh kee.....
Alhad javaanee odee chal mastaanee
Nile nainan vale tir jave maradee o ho
Dandan vich bulliya daba ke ghuree vatadee ai
Karan kee mai gal mai pyaar din
Lak nun hila ke te najaran milake
Billo akhiyaancho nindaran chura gayee o ho
Akh naal akh kee.....
Matak matak odee jhum jhum turadee dee
Chal ne divaane kar suteya o ho
Julfan nun bullan utte rakh phunk masre
Aidee mast ada ne mar suteya, mast ada ne sasnu luteya
Nakhare dikhave te bada hee sataave
Rabba ode te javaanee kadee a gayee o ho
Akh naal akh kee.....
