Hmm aksar koi kadka is haal mein
Kisi kachhi kali ke jaal mein
Jyun fansta hai yoon mujhe fansna hai
Aksar koi faila is haal mein
Haa haa haa haa
Kisi majnu ko fansaakar jaal mein
Jo karti hai wo mujhe karna hai
Aksar koi kadka is haal mein
Pehle tum, pehle tum
Pehle tum, pehle tum
Pehle tum tum tum tum tum
Hum tum
Hum tum ek kholi mein band hon
Aur sanp aa jaye
Saans se main kahoon mujhko chhod ke
Tujhe kaat khaaye
Hum tum is bistar pe lete ho
Aur tera baap aa jaye
Apne dande se teri kamar tod ke
Mujhe le jaaye
Hum tum hum tum hum tum
Boot bole boot bole
Bapu aaye mere bapu se dariyo
Wo tumko khoob marengi tum maar kha laiyo
Wo tumko khoob marengi tum maar kha laiyo
Main aaya hoon leke saath munde ko
Tujhe aabaad kar dega
Tu apna le munde ko o o o
Main aaya hoon leke saath munde ko
Na na na na na na
Rafta rafta dekho moonchh meri khadi hai
Sala rafta rafta dekho moonchh meri khadi hai
Mujh meri khadi hai hath mein lakdi hai
Aaj tujhe marunga na chhodunga mai tujhko
Bade dino bad saala mila hai tu mujhko
Meri biwi kaise teri ho gayi
O mudiya teri chhuti ho gayi chhuti
Hey jai jai bori bandal
Jai jai bori bandal
Tu kar de isko andar
Ye daaku mere peechhe pada
Ho hai ye bap ya kasaai
Jo beti ko fasaai
Ke mujhe ye din dekhna pada
O saurab di
Beshak haddi pasli todo
Tera yaar ye kehta
Beshak haddi pasli todo
Tera yaar ye kehta
Par us ghar mein mujhe le jaao o o
Jis ghar mein doctor rehta
Jis muchhad ne mujhko maara
Jis muchhad ne mujhko maara
Us muchhad ko nahin chhodna aa aa
Tauba isko na chhodna nahin chhodna
Nahin chhodana ise nahin chhodna
Aur nahin bas aur nahin
Tan ke kapde aur nahin
Aur nahin bas aur nahin
Tan ke kapde aur nahin
Khol na saare hi saathi
Kuchh to rehne de baaki
Aur nahin bas aur nahi
Aur nahin bas aur nahin
O ho ho o o o
Maara ho maara
Maara ho maara
Mote ne maara
Le gaya kamre mein
Tujhe pahalwan lut gayi lut gayi
Meri jaan aan
Tera shikaar ho gaya aa aa
Main bekaar ho gaya
Ho gaya aa
Main bekaar ho gaya aa aa
Chura liya jab pahalwan ne mujhko

Kiya nahin kuchh usne sanam
Agar nahin ho tumko yakeen to
Agni pariksha le lo sanam
Agni pariksha le lo sanam
Lo uth ja uth gayi daud ja daud gayi
Uth ja uth gayi daud ja daud gayi
Kud ja kud gayi aag me, aag me
Ghum ja ghum gayi gayi gayi gayi
Chal waapas aaja
Aa gayi raja aa gayi raja aa gayi
Na dharam mein ae ae
Na paap koi kamaane mein ae
Chain milta hai tujhe sine se lagaane mein
Choom baraabar choom hatheli
Choom baraabar choom
Choom baraabar choom hatheli
Choom baraabar choom
Aag lagi hai pyaas jagi hai
Choom baraabar choom hatheli
Choom baraabar choom
Choom baraabar choom hatheli
Choom baraabar choom.
