Alaahda alaahda  
Huey toh hain alaahda  
Poori tarha magar nahin  
Huey hain kyun alaahda  
Alahada alahada  
Hain naam se alaahda  
Judi huyi hai rooh toh  
Hain naam ke alaahda  
Tere bagair jeena  
Lagta hai khaali  
Dil hai magar seena  
Lagta hai khaali  
Meri gali alaahda  
Tera shehar alaahda  
Yaadon ka hai pata wohi  
Jahaan huve alaahda  
Tere bagair jeena  
Lagta hai khali  
Dil hai magar seena  
Lagta hai khali  
Din raat adhoorapan cheere  
Zang lage khuroor ki dhaar se  
Takiye ka neend se  
Toh jhagda hua sa hai  
Kaante ghadiyon ke dheere  
Chale hain kyon  
Chale hain kyon waqt se  
Tere bagair jeena  
Lagta hai khaali  
Dil hai magar seena  
Lagta hai khaali  
Alaahda alaahda  
Huey toh hain alaahda  
Poori tarha magar nahin  
Huey hain kyun alaahda  
Alahada ala hada  
Hain naam se alaahda  
Judi huyi hai rooh toh  
Hai naam ke alaahda  
Tere baghair jeena  
Lagta hai khaali  
Dil hai magar seena  
Lagta hai khaali  
Tere baghair jeena  
Lagta hai khali  
Dil hai magar seena  
Lagta hai khali  
Seena lagta hai khaali.
